

達陣-最精準且專業的長期夥伴 (歡迎試作、打樣)

**CERATEC**  
**TOUCH-DOWN**

TOUCH-TOWN—Most accurate and professional long-term partner (Welcome to trial. Proofing)

20多年來為半導體制程，LED制程，TFT/LCD制程，太陽能晶片制程，機械傳產，生醫製藥產業，國防軍事，提供精密陶瓷，氧化鋁，氧化鋯，石英，碳化矽，氮化矽的零件製造加工的產品與服務同時與客戶一起研發。

適用於各產業的精密陶瓷材料應用，達陣公司擁有一條龍的生產設備，希望成為您最精準且專業的長期夥伴。

Over the past two decades, it has provided products and services for parts manufacturing and processing of fine ceramics, aluminium oxide, zirconium oxide, quartz and silicon carbide in terms of semiconductor processing, LED processing, TFT/LCD processing, solar chip processing, machinery production, medical and pharmaceutical industry and national defense and military. Meanwhile, it researches and develops jointly with customers, and the products and services are applicable to fine ceramics materials in each industry. Touch-down has a whole package of production equipment, hoping to be your most accurate and professional long-term partner.
